

**STATE ROAD NUMBER 93 (I-275)
I-275, From SR 60 (Memorial Hwy.) to Himes Ave.
Financial Project ID 258398-5-52-01**

Project Description:

This project will provide for the reconstruction of I-275 to include a total of eight through lanes. These eight lanes will maintain access at all of the existing interchanges. A large median will remain in place for future expansions. This project will be designed and built by the awarded contractor.

Landscaping is included where right-of-way allows. Architectural features are being incorporated into the walls and the bridge structures with emphasis being placed on areas of high visibility. Aesthetic enhancements such as specialty lighting, fencing, and paving are also included in the project. Sound barrier walls will also be constructed in areas where they have been determined to be warranted.

Project Location:

The project will be constructed along I-275 from SR 60 (Memorial Hwy.) to Himes Ave. in Hillsborough County.
